« We are proud of the GRAND LIQUEUR MASTER 2013 award we have received. We wish to share this trophy with our production team led by Olivier Beutin, guardian of our quality, both on the choice and the quality of the products distilled as well as the company process preciously treasured by the past 5 generations. This international rendezvous in the Bar universe, with its recognised exacting demands, certifies the authenticity and creativity of our liqueurs. It underlines for the trade the dynamism of our French SME, both for the most recent flavours full of promise : the Carton T collection liqueurs, as well as the consistency and quality of our fruit brandies and traditional liqueurs » explains Benoit de Truchis – Export manager of Joseph Cartron. Who adds: « The new Joseph Cartron « T » Liqueurs have conquered bartenders the world over ; launched at Vinexpo 2013, we already export them to 16 countries ».
